

## Know someone who is in need of tips, tools, and supports for memory management?

We can assist individuals to remain in their homes and ensure their independence and quality of life for as long as possible. Our educated team can assist in planning a road map to address daily needs as well as long-term plans.

### Our qualified team can assist with:

- Memory Organization/Planning
- Care Coordination
- Community Connections
- Troubleshooting Home Issues
- Social Engagement Opportunities
- Nutrition & Transportation Solutions
- Brainstorming Solutions

If you know of someone who could benefit from our services, please contact:

Alicia Sherwin, Community Care Coordinator  
Easterseals Homemakers & Health Services
